...so many reasons to fly to **Karlsruhe/Baden-Baden** (EDSB, including ILS/GPS approach) and to visit Baden-Baden

On **Friday afternoon** after a snack in the hotel we will begin our stay with an exciting **tour of the city** and give us an overview of the 55,000-inhabitant summer residence of the rich and beautiful, which is characterized by the elegance of the Belle Epoque.

On **Saturday** our day tour is leading us through the Black Forest with a short stop at **Mummelsee** to visit the **Vogtsbauernhöfe**. This open-air museum shows the architecture and traditional way of life of the Black Forest over 6 centuries. After a typical "**Black Forest Vesper**" (lunch) we visit a further highlight in Schonach, the **watch manufacturer Rombach & Haas** which has been in existence for almost 130 years and has specialized in completely reinterpreting the Black Forest clock "cuckoo clock". The largest cuckoo clock in the world can also be seen in the village. Then our journey goes through the picturesque, beautiful and varied landscape of the **Murg Valley**, which is part of the Black Forest National Park.

We end the tour in the **Geroldsauer Mühle**, where we enjoy our **gala dinner**. Our hotel is then only 15 minutes away.

We stay at the **Leonardo Royal Hotel** in Baden-Baden
